

Before completing the attached licence application form, please read the following information.

The attached bingo licence application must be completed in full prior to submission. Applications will not be processed if all required information has not been completed and supporting documents have not been included. **Bingo licence applications must be submitted at least 4 weeks prior to your first event.**

BINGO EVENT DETAILS

The Bingo Licence will be mailed to the Bingo Chairperson at the organization address.

LIST OF ELECTED EXECUTIVE

It is imperative that Alberta Gaming, Liquor & Cannabis (AGLC) be kept informed of any changes to the elected executive. Please provide information for all bona fide executive members and positions authorized to sign documents forwarded and return with the completed licence application.

USE OF GAMING PROCEEDS

It is not necessary for applicants to specify the intended use of gaming proceeds as part of the gaming licence application. An organization may amend its use of gaming proceeds at any time. A Request to Amend Gaming Proceeds (FORM 5506) must be submitted to AGLC for approval prior to disbursement of proceeds. All amendments must be signed by two current executive members of the organization and include any required support documentation or completed forms.

Gaming proceeds must only be used for AGLC-approved uses essential to the delivery of the group's charitable or religious programs in accordance with AGLC Charitable Gaming Policies Handbook (CGPH). Prior approval must be obtained before disbursement of proceeds. A use of proceeds not specifically accommodated in the CGPH is considered an ineligible use.

Disbursement of gaming proceeds must be made within 24 months of receipt of the proceeds. Any extension of this time period must have prior written approval. All requests to retain proceeds beyond 24 months must include a dollar amount, a project end date for the use of proceeds, and the purpose for which the proceeds will be used. The request must be signed by two current executive members.

All programs where gaming proceeds are used, and for which a fee is charged or for which funds are received, must be managed on a cost-recovery basis. Cost recovery means the use of gaming proceeds to pay for program costs is limited to the amount not covered by program revenues.

The organization's Current Use of Proceeds List will be mailed under separate cover to the organization address to the attention of the Treasurer.

PLEASE KEEP A COPY OF THIS APPLICATION AND ALL SUPPORT DOCUMENTS SUBMITTED.

LICENSING INFORMATION

Alberta Gaming, Liquor & Cannabis (AGLC) is responsible for administering and regulating the gaming industry in Alberta, including the licensing of charitable gaming activities. Only eligible charities or religious groups are licensed. All proceeds from the licensed activity must be used for charitable or religious activities.

To apply for a licence, the application form must be complete, and all required supporting documents must be submitted for review. The information must be correct and up-to-date. This will minimize delays in processing requests.

- *Conducting a gaming event without a licence is a Criminal Code offence.*
- *All required financial reports must be up-to-date before new applications are processed.*

AGLC must approve any changes to the approved licence or use of proceeds.

Applicants found eligible for gaming licensing may be subject to an eligibility review at any time to ensure continued compliance with AGLC policies.

PREPARING FOR THE BINGO LICENCE

- Charities conducting community bingo events must conduct these events in their own area.
- Licences are issued for single events, or a series of events over a 24-month period.

- Licensed bingo facilities are required when groups hold bingo 4 or more days per week in a hall.
- Licensed bingo facilities are not required when groups hold bingo 3 or less days per week.

LICENCE AMENDMENTS

- Any amendment to a bingo licence must be approved in advance by the Regulatory Services Division. Without approval, an amendment or change is prohibited.
- A licensed charity that wishes to amend its bingo licence must make this request in writing. The request must be submitted by two executive members of the licensed charity to the Regulatory Services Division.

PRIZES (Community Bingo)

- All prizes in the approved bingo program shall be awarded. Players win only if they have the correct card pattern for the game, and in the case of a loonie pot or fireball prize, if the correct card pattern was completed on the specific loonie pot or fireball. All valid winning cards must be paid.
- Both cash and non-cash bingo game prizes shall be funded by bingo card sales revenue. Donated non-cash prizes shall be separately identified on financial control forms.
- If non-cash prizes are awarded, they shall not be provided, in any way, by registered gaming suppliers or facility landlords.

 - e) At the end of each yearly financial reporting period, the licensed charity should show positive proceeds from the conduct of its community bingo events.
 - f) Non-Association bingo prizes for progressive or accumulating jackpots can have a minimum or guaranteed prize. Groups must keep prize payouts for these games in-line to ensure they receive a financial benefit. All progressive or accumulating jackpots shall be awarded at least once during each year of the licence period. This includes fixed number jackpots. If not awarded earlier, the jackpot shall be awarded at the last event of each year. Jackpots that are awarded regularly can be carried over into the next licence period. If a group ceases bingo, the jackpot must be awarded. No more than 5 progressive games will be approved.
 - b) If the licensed charity has a two-year bingo licence, it is mailed two financial reports, one at the end of the first year, and another at the end of the second year.
- Completed reports with requested supporting documents shall be returned to AGLC within sixty (60) days. Failure to submit these reports or to comply with the terms and conditions of the licence are subject to penalty and may affect future licences.
 - If a group has more than one active licence, the group may open a "Consolidated Gaming Account" for the expenditure of their gaming proceeds. The group will transfer the net proceeds from their individual gaming accounts into this account. The benefits of this account are:
