Liquor Store Security Guidelines

June 15, 2021

This bulletin is to advise all retail liquor store licensees of amendments to the [Retail Liquor Store Handbook \(RLSH\)](#).

Section 4.7 of the [RLSH](#) has been updated to include enhanced liquor store security guidelines regarding:

- enhanced store security procedures;
- anti-theft signage;
- video surveillance; and
- identification entry systems.

The amended guidelines provide licensees with optional recommendations they can use to improve liquor store safety. They may be accessed on [AGLC's website](#).

Please familiarize yourself with these guideline changes and ensure affected staff are notified.

If you have any questions, please contact AGLC's Compliance Branch at inspections.mailbox@aglc.ca.
