Hospitality and working sessions

Hospitality expenses are primarily social in nature or occur for networking purposes.

A working session is an expense incurred while in the course of conducting AGLC business.

Hospitality and working session expenses are disclosed by the most senior discloser in attendance and list any other disclosers, as well as the number of AGLC staff and guests.

Date	Business Purpose (Attendees)	Amount
	None	\$ -
		\$ -
Cumulative total for reported expenses from April 1, 2023 to June 30, 2023		\$ 4,908.15
