

Pull-Ticket Licence Application

Before completing the attached licence application form, please read the following information.

The attached Pull-Ticket Licence Application must be completed in full prior to submission. Applications will not be processed if all required information has not been completed and supporting documents have not been included.

Pull ticket licence applications must be submitted at least 4 weeks prior to your first event.

PULL TICKET EVENT DETAILS

The Pull Ticket Licence will be mailed to the Pull Ticket Chairperson at the organization address.

LIST OF ELECTED EXECUTIVE

It is imperative that Alberta Gaming, Liquor and Cannabis (AGLC) be kept informed of any changes to the group's elected executive. Please provide information for all bona fide executive members and positions authorized to sign documents forwarded and return with the completed licence application.

USE OF GAMING PROCEEDS

It is not necessary for applicants to specify the intended use of gaming proceeds as part of the gaming licence application. An organization may amend its use of gaming proceeds at any time. A Request to Amend Gaming Proceeds (FORM 5506) must be submitted to AGLC for approval prior to disbursement of proceeds. All amendments must be signed by two current executive members of the organization and include any required support documentation or completed forms.

Gaming proceeds must only be used for AGLC-approved uses essential to the delivery of the group's charitable or religious programs in accordance with AGLC Charitable Gaming Policies Handbook (CGPH). Prior approval must be obtained before disbursement of proceeds. A use of proceeds not specifically accommodated in the CGPH is considered an ineligible use.

Disbursement of gaming proceeds must be made within 36 months of receipt of the proceeds. Any extension of this time period must have prior written approval. All requests to retain proceeds beyond 36 months must include a dollar amount, a project end date for the use of proceeds, and the purpose for which the proceeds will be used. The request must be signed by two current executive members.

All programs where gaming proceeds are used, and for which a fee is charged or for which funds are received, must be managed on a cost-recovery basis. Cost recovery means the use of gaming proceeds to pay for program costs is limited to the amount not covered by program revenues.

The organization's Current Use of Proceeds List will be mailed under separate cover to the organization address to the attention of the Treasurer.

PLEASE KEEP A COPY OF THIS APPLICATION AND ALL SUPPORT DOCUMENTS SUBMITTED.
